

Student Instructions: Setting Up a WebAssign Account

Step 1: Enroll with your CLASS KEY

Visit webassign.com and select “ENTER CLASS KEY” ...

Note: The CLASS KEY is what your teacher will give you. This is different from your ‘access code.’ The access code will be used later in the account setup process.

...This will bring you to a page where you will enter the CLASS KEY given to you by your teacher. Be sure to enter *glenbrooksouth.il* in the first box and two 4-digit codes in the following two boxes. Then “Enroll.”
